CREATION OF THE TRUST FUND

Section 1. The Automobile Mechanics' Local 701 Union and Industry Pension Fund is established pursuant to collective bargaining, and shall on or after the effective date be governed by this Agreement and Declaration of Trust, established February 1, 1958 and since restated, and now restated, effective the 3rd day of March, 2006.

The Union, the Association and all Employers required to make Employer Contributions to the Trust Fund, shall be deemed parties hereto, and shall be bound by the terms and provisions in

this Agreement and Declaration of Trust set forth.

Section 2. Whenever hereafter a collective bargaining agreement shall be entered or another Written Agreement entered requiring Employer Contributions to be made to the Automobile Mechanics' Local 701 Union and Industry Pension Fund, the Union, and all Employers bound thereby shall be considered to have adopted this Agreement and Declaration of Trust, to be bound by all the terms and conditions herein set forth, and deemed to be a party hereby.

ARTICLE IV
PURPOSE AND APPLICATION
OF THE TRUST FUND

Section 1. The Trust Fund is created, established, and maintained, and the Trustees agree to receive, hold and administer it for the exclusive purpose of providing benefits for the Employees, Retired Employees, Participants, their dependents and Beneficiaries, as authorized under applicable provisions of the Labor-Management Relations Act of 1947, and the Employee Retirement Income Security Act of 1974, all in accordance with the Pension Plan.

Section 2. The Trustees shall have power and authority to use and apply the Trust Fund as set forth below:

- A. To pay or provide for the payment of benefits to Employees, Retired Employees, and their dependents, when found eligible to receive the same in accordance with the provisions of the Pension Plan.
- B. To pay or provide for the payment:
 - (1) Of reasonable and necessary expenses, costs and fees having to do with the installation of the Trust Fund;
 - (2) To the Trustees for reimbursement of reasonable expenses incurred under specific authority granted by resolution of the Trustees, such expenses being specifically itemized;

- (3) Of reasonable education expenses of Trustees, Plan Manager, the attorneys and accountants, properly actually incurred, or to be properly actually incurred in the immediate future, such expenses to be properly accounted for;
 - (4) Of proper administration costs of the Trust Fund, including employment of actuarial, legal, professional and clerical assistance, as the Trustees, in their discretion, deem necessary and appropriate in the performance of their duties;
 - (5) Of expenses of collection of Employer Contributions and of other monies or property to which the Trust Fund may be entitled; and
 - (6) Of expenses incurred in the purchase or lease of such premises, materials, supplies and equipment, and for such acts as Trustees, in their sole discretion, find necessary or appropriate in the performance of their duties hereunder provided, however, that no part of the Trust Fund shall be used for personal expenses.
- C. To pay or provide for the payment of all real and personal property taxes, and other taxes or assessments of any and all kinds levied or assessed under existing or future laws upon or in respect to the Trust Fund, or any money or property forming a part thereof.
- D. To maintain such reserves as are appropriate.
- E. To make deposits and payments under any contracts referred to in Section 3, Article VIII, of this Part I providing benefits contemplated herein.
- F. To make any deposit to a bank or trust company which through agreement with the Trustees has been empowered to make benefit payments to eligible Employees, Retired Employees, or their dependents.

ARTICLE V
LIMITATION OF RIGHTS
TO THE TRUST FUND

Section 1. The following limitations shall apply to the rights or interests or use of the Trust

Fund:

- A. Neither the Union, the Employers or the Employees, nor any other person, association

or corporation shall have any right, title or interest in or to the Trust Fund except as specifically provided by the Pension Plan and the applicable rules and regulations thereunder. It is the intention of the parties hereto that this Paragraph A shall not disqualify contributions due from any Employer from being a priority claim in the event of bankruptcy of any such Employer, to the extent such priority may be allowed by law.

- B. Anything contained in this Agreement and Declaration of Trust to the contrary notwithstanding, no part of the corpus or income of the Trust Fund shall be used for or diverted to purposes other than for the exclusive benefit of Employees, Retired Employees, or their dependents, or for the purposes and applications of the Trust Fund as in this Agreement and Declaration of Trust set forth.
- C. All funds received by the Trustees hereunder, as a part of the Trust Fund, shall be deposited by them in such bank or banks or trust company or trust companies as the Trustees may designate for that purpose, and all withdrawals of such funds shall be made by the Trustees, pursuant to the authorization provided in Article III, Part II, of this Agreement and Declaration of Trust.

ARTICLE VI

CONTRIBUTIONS TO THE TRUST FUND

Section 1. BASIS OF CONTRIBUTIONS TO PLAN. In order to effectuate the purposes hereof, each Employer shall contribute to the Fund the amount required by any Written Agreement, as defined herein, between the Union or the Trust and the Employer. The rate of contributions shall at all times be governed by the applicable Written Agreement then in force and effect, together with any amendments, supplements or modifications. It shall not be a defense to any claim by the Trustees or an Employee for delinquent contributions from an Employer that such Employer had entered into an agreement with any Employee or any party other than the Union or the Trustees purporting to waive the Employee's rights to strict compliance with the provisions of the applicable Collective Bargaining Agreement or other written agreement. With respect to the amount of contributions required thereby, no Employee

or other party shall be permitted to contract or otherwise agree with or permit any Employer to provide wage or benefit payments which do not conform to the terms of the applicable Collective Bargaining Agreement or other written Agreement.

Section 2. EFFECTIVE DATE OF CONTRIBUTIONS. All contributions shall be made effective as required by the applicable collective bargaining agreement or other written Agreement and shall continue to be paid so long as the Employer is so obligated.

Section 3. MODE OF PAYMENT. All contributions shall be due and payable on the date set forth in the applicable collective bargaining agreement or other written Agreement. The time for payment may be extended by the Trustees by resolution, but in no event shall such extension exceed sixty (60) days in accordance with applicable regulations issued by the Secretary of Labor pursuant to ERISA. If such contributions are not received within the period as so extended, said obligations shall be conclusively deemed to include interest computed from the original due date as defined above.

Section 4. DEFAULT IN PAYMENT. The Trustees shall immediately notify the Union and the Association if any contributing Employer is delinquent in the payment of any monies due to the Fund and shall also so notify the delinquent Employer. Nonpayment by an Employer of any contributions when due shall not relieve any other Employer of his obligations to make payments. The Trustees may take any action necessary to enforce payment of the contributions and penalties due hereunder, including, but not limited to, proceedings at law and in equity.

The Trustees are authorized to establish a reasonable and lawful grace period within which contributions must be received; contributions not received before the expiration of said period shall be assessed liquidated damages of at least ten percent (10%) of the monies due per

month. All Employers who are parties to or otherwise bound by this Trust Agreement acknowledge that the liquidated damages will be used to deter administrative costs arising by reason of said delinquency and acknowledge the costs to be actual and substantial though difficult to ascertain; however, the Employers acknowledge these costs to be at a minimum of ten percent (10%), waiving the necessity of any additional proof thereof. The Trustees may, in their sole discretion, increase the amount of liquidated damages imposed on any delinquent Employer to an amount which is not more than 20% of the contributions found to be due. Among the factors to be considered by the Trustees in exercising this discretion shall be the extent of the collection activity required, the amount of the contributions due, the willfulness of the Employer's failure to make contributions, and other relevant factors.

In addition, the delinquent contributions shall bear interest up to the prime rate of interest charged by the First National Bank of Chicago or such other lawful amount as determined by the Trustees from the due date until totally satisfied.

In the event that an Employer who is a party to this Trust Agreement or otherwise bound thereby becomes delinquent in his contributions and the Trustees place the account in the hands of legal counsel for collection, said delinquent Employer shall be liable for reasonable attorney's fees and for all reasonable costs incurred in the collection process, including court costs, audit fees, litigation expenses, etc. "Reasonable attorney's fees" as used herein shall mean: All reasonable attorney's fees in the amounts for which the Trustees become legally obligated, including recovery of liquidated damages, audit costs, court costs and any other expenses incurred by the Trustees.

The Trustees are hereby given the power and authority, in their discretion, to require any

Employer to deposit with the Trustees, in advance, as a guarantee for the payment of monthly contributions, an amount equal to three (3) times the monthly contributions of such Employer or shall furnish the Trustees in lieu of any cash deposit a bond in an amount not less than Five Thousand (\$5,000.00) Dollars, nor more than Fifteen Thousand (\$15,000.00) Dollars or an amount equal to three (3) times the monthly contributions of such Employer as estimated by the Trustees, whichever is greater, secured by a corporate surety.

The Trustees may allocate to two Trustees, one of whom shall be a Union Trustee and one an Employer Trustee, or to the Plan Manager, the authority to settle such collection actions on such terms and for such amounts as they consider reasonable, prudent and appropriate under the circumstances. Any such settlement shall be binding and conclusive on the Trustees, Trust Fund, Union, Employers and their beneficiaries.

The above procedures are not exclusive, and are without prejudice to the rights of the Union and to take whatever steps are deemed necessary.

Section 5. REPORT ON CONTRIBUTIONS AND PRODUCTION OF RECORDS.

The Employers shall make all reports on contributions required by the Trustees. Each Employer shall promptly furnish to the Trustees, on demand, the names of its Employees, their social security numbers, the hours worked by each Employee, and such other information as the Trustees may reasonably require in connection with the administration of the Trust. The Trustees may at any time have an audit made by an independent accountant or its representatives of the payroll of any Employer in connection with the said contributions and/or reports.

All Employers shall be required to maintain records in compliance with procedures developed and communicated by the Plan Manager, from the beginning of such Employer's

participation in the Fund forward unless given written authorization by the Trustees upon request to destroy said records. The Trustees shall require that the Employer designate the classification of all of his Employees and the location of work performed by them, and if the Employer fails to do so, the Trustees shall conduct an investigation for the purpose of determining the classification of such Employees and the location of their work and the results of said investigation shall be conclusive.

Where an audit discloses a difference between hours actually worked by an employee and hours reported to the trust by his Employer and where such audit discloses any willful violation of any of the requirements of this Trust Agreement or rules and regulations adopted in connection herewith, those officers and directors of such Employer, if a corporation, supervised the completion of report forms, signed report forms or can be determined to have had personal knowledge of such conduct, shall be personally liable for any underpayment or other pecuniary loss to the Fund as a result of such conduct. Nothing herein shall prevent a personal liability for owners or partners who are not otherwise incorporated.

Section 6. CONTRIBUTIONS FOR WORK IN OTHER JURISDICTIONS. If, upon audit or otherwise, it is determined that an Employer has failed to pay contributions due for work performed by Employees covered by any bargaining agreement with the Union in the jurisdiction of another local union, then contributions shall be paid, for all hours worked by such Employees, to this Fund.

Section 7. COSTS, EXPENSES AND ATTORNEYS' FEES. Employers shall be liable to the Trustees for all costs, expenses and attorneys' fees, as defined in Section 4, above, incurred by them in enforcing any obligation of Employers created by this Trust Agreement or any

bargaining agreement, including, without limitation, the duty to furnish records to the Trustees to determine the Employer's compliance with said obligations.

Section 8. NO SET-OFF OR COUNTERCLAIM. The obligation of the Employers to make the required Employer contributions, as herein specified, shall be absolute and not subject to any set-off or counterclaim the Employer may have, or claim to have for any liability of the Union or an Employee or the Trust.

Section 9. CONTRIBUTIONS MADE BY MISTAKE OF FACT OR LAW. In no event shall an Employer, directly or indirectly, receive any refunds of contributions made to the Trust, except in cases of bona fide mistake, and as to which contributions are returned within one year after payment of the contributions, nor directly or indirectly participate in the disposition of the Trust Fund or receive any benefits from the Trust Fund.

In those instances where refunds are claimed and allowed, the Trustees shall first determine as to whether or not such payments have been allowed as pension benefits for persons who have obtained a distribution or have caused an employee to change circumstances which would cause the refund to do injury to the Employee.

The Trustees must also determine whether or not the actuary of the Plan would advise the Trustees to make such a refund considering the overall status of the Plan.

Nothing herein shall be construed as extending or allowing a refund for a period longer than is provided herein.

Any refund shall be subject to the Trustees' discretion to determine whether or not a mistake of fact or law exists which would allow a refund. It shall not be construed as allowing litigation against the Trust and under no circumstances shall it be allowed as a counterclaim for

contributions or benefits for contributions or a refund of payments for delinquent contributions or overpayment of benefits or for any other purpose.

Section 10. TRUSTEES' RIGHT TO REFUSE CONTRIBUTIONS. The Trustees may demand that any Employer who establishes a pension Plan, profit sharing plan, or savings plan submit a copy of any plan document to the Trustees, and the Trustees may have the document reviewed by a consultant or actuary to determine whether the plan will or might compete with or create adverse selection against the Fund or might affect the contributions or benefits which can be made to the Fund under governing law. If it is determined, in the Trustees' discretion, that the Fund would be adversely affected, or if the Employer refuses to submit a copy of any plan document to the Trustees, the Trustees may remove the Employer from the Plan. If an Employer is removed from the Plan, contributions to the Fund will no longer be accepted from that Employer. In addition, an Employer who is removed from the Plan pursuant to this Section will be considered a Terminated Employer under Section 7.4 of the Pension Plan document or may be subject to any of the provisions of the Trust or rules or regulations of the Plan pertaining to withdrawing or terminating Employers.

ARTICLE VII

PLAN OF BENEFITS

Section 1. BENEFITS.

A. Trustees. The Trustees, as named fiduciaries, are authorized to determine all questions arising in the administration, interpretation and application of the Pension Plan,

including questions of eligibility of Employees, the status of the participants and their beneficiaries, and any other person thereunder. Unless otherwise provided in this Agreement and Declaration of Trust, or in the Pension Plan, determination made by the Trustees, as the "named fiduciaries," in the determination, interpretation and application of the Pension Plan shall be binding on all persons.

B. Trustee Administration of Benefits. In the administration of the Pension Plan the Trustees, consistent with the purposes of the Trust Fund, shall have power and authority to decide all questions or controversies arising in any manner or between any parties or persons in connection with the Trust Fund or the operation thereof, whether as to any claim for benefits made by any Employees, or any person, or whether as to the construction of the language or meaning of the Plan of Benefits or rules and regulations adopted by the Trustees or established by this instrument, or as to any writing, decisions, instrument, or account or otherwise, and the decisions of the Trustees, if made in good faith, shall be binding upon all persons dealing with the Trust Fund and claiming any benefits thereunder.

All provisions of this document shall be subject to Trustee discretion as provided in this Section 1, Paragraphs A and B, Section 3 of this Article and Part III, Article III, Section F.

Section 2. RECIPIENTS OF BENEFITS. Benefits may be provided in accordance with Section 1 of this Article only for any Participants as defined in Article II of this Agreement, and their beneficiaries.

Section 3. ELIGIBILITY REQUIREMENTS FOR BENEFITS. The Trustees shall have full authority to determine eligibility requirements for benefits and to adopt rules and regulations setting forth same which shall be binding on the Employees, Participants and their beneficiaries,

except to the extent such authority has been retained by any insurance company with which the Trustees have contracted.

Section 4. BASIS OF PROVIDING BENEFITS. Benefits shall be provided and maintained by means of direct payments by the Trust or means of insurance policies maintained by the Trust for the purpose of providing such benefits to Participants of the Plan or other beneficiaries in such amounts and in such manner as the Trustees shall in their sole discretion determine in accordance with Section 1 of this Article and all applicable laws and regulations.

Section 5. WRITTEN PLAN OF BENEFITS. The detailed basis on which payment of benefits is to be made pursuant to this Agreement shall be specified in writing by appropriate action of the Trustees subject, however, to such changes or modifications as shall similarly be specified in writing by appropriate resolutions of the Trustees.

Section 6. TREASURY APPROVAL. The Pension Plan adopted by the Trustees shall be such as will qualify for approval by the Internal Revenue Service, and as will continue as a qualified Plan, so as to insure that the Employer contributions to the Pension Fund are proper deductions for income tax purposes. The Trustees are authorized to make whatever applications are necessary with the Internal Revenue Service to receive and maintain approval of the Pension Plan. In the event of failure of the Agreement and Declaration of Trust and the Pension Plan to receive or retain approval as a qualified Agreement and Declaration of Trust and Pension Plan under such provisions of Federal Law as are now in effect or as subsequently amended or legislated, or if such approval or any ruling in connection therewith shall result in the Employer Contributions constituting taxable income to Employees or if any ruling in connection therewith shall fail to secure the authorization for the deduction of the Employer Contributions as a

business expense to the Employer, the Pension Trustees shall make such changes as necessary to receive or retain such approval or authority for Employers to deduct payments to the Trust Fund as a business expense without reporting such payments as taxable income to Employees. However, the Trustees shall not be responsible for ensuring that an Employer does not exceed the limitations the Internal Revenue Code places upon the amount of contributions for an Employee which an Employer may deduct as a business expense.

Section 7. AMENDMENT OF PLAN. The Plan may be amended by the Trustees from time to time provided that such amendments comply with the applicable sections of the then applicable Internal Revenue Code, ERISA, all applicable rules and regulations promulgated pursuant to said Statutes, the contract articles creating the Fund, and the purposes as set forth in this Agreement. A copy of each amendment of the Plan shall be adopted and filed by the Board of Trustees as part of the records and minutes of the Board.

ARTICLE VIII

ESTABLISHMENT AND ACCEPTANCE OF THE PENSION PLAN

Section 1. There has been established and adopted a plan to provide for an eligible Participant, retirement pension benefits, disability pension benefits, non-forfeitable benefits, and to provide death benefits in the event of the death of an eligible Participant.

The Trustees shall use the Trust Fund to provide such benefits for eligible Participants, and may, from time to time, provide such additional benefits as may be feasible. The Plan shall, at all times, conform to the requirements of ERISA, and the applicable sections of the Internal Revenue Code for purposes of maintaining it as a "Qualified" and "Exempt" Plan, and be

maintained in accordance with the provisions of, and for the purposes of this Agreement and Declaration of Trust.

Section 2. The Trustees are agreed to and shall provide the active administration of the Pension Plan so established and adopted, which sets forth the benefits to be provided from the Trust Fund, the conditions of eligibility for such benefits, the terms of payment, and such other provisions deemed necessary, by the Trustees, to be included therein.

Section 3. In the administration of the Pension Plan, the Trustees are authorized and empowered:

- A. To administer the Pension Plan.
- B. To enter into an agreement with insurance companies licensed to do business in the State of Illinois for the purpose of providing benefits granted under the terms of the Pension Plan.
- C. To enter into an agreement with a bank or trust company selected by the Trustees or the purpose of providing benefits granted under the terms of the Pension Plan.

OR REMOVAL OF A TRUSTEE

Section 1. **Term of Trustees.** An Employee Trustee appointed by the Union and an Employer Trustee appointed by an Association shall continue to serve until his death, incapacity, resignation, or removal as provided herein.

Section 2. **Vacancies.** In the event any Employee Trustee shall die, become incapable of acting, resign, or be removed, a successor Employee Trustee shall immediately be designated by the Union.

In the event any Employer Trustee shall die, become incapable of acting, resign, or be removed, a successor Employer Trustee shall be designated immediately by the Association which appointed the Trustee to be replaced. If the Employer Trustee to be replaced was appointed from an industry which does not have an association, the Successor Employer Trustee shall be appointed by an impartial umpire selected by the remaining employer trustees from a list provided by the American Arbitration Association. The impartial umpire shall review candidates from the industry of the originally-appointed trustee. Candidates shall be obtained by conducting a broad-based mailing in order to recruit the best possible candidate to fill the position.

Any successor Trustee shall, immediately upon his acceptance of the Trusteeship, in writing, filed with the Trustees, become vested with all the property, rights, powers, and duties of a Trustee hereunder with the like effect as if he had been originally named as a Trustee.

Section 3. **Resignation of Trustee.** A Trustee may resign and remain fully discharged from all future duty or responsibility hereunder by giving notice, in writing, to the remaining Trustees and to the party designating him, to take effect on a specified future date, and such resignation shall take effect on the said date, unless a successor Trustee shall have been appointed at an earlier date, in which event, such resignation shall take effect as of the date of filing, by the successor, of the written acceptance provided for under "Acceptance of the Trust by the Trustees."

Section 4. **Form of Notification or Removal.** In case any Trustee shall be removed, replaced, or succeeded, a certificate in writing by the Secretary of the Union shall be sufficient evidence of the removal or replacement of a Trustee. Such a certificate signed by the Secretary or the Executive Officer of the Association, having made an appointment of a Trustee, shall be sufficient evidence of the removal of a Trustee.

ARTICLE V

ACTIONS OF THE TRUSTEES

Section 1. The Trustees may adopt by-laws or regulations to govern themselves, which are not inconsistent with any provisions of this Agreement and Declaration of Trust.

Section 2. The decisions of the Trustees shall be determined by a majority vote. A deadlock shall be deemed to exist whenever a proposal, nomination, motion, or resolution made by any Trustee on a matter of Plan administration is not adopted or rejected by a majority vote. A deadlock cannot be submitted to an impartial umpire if it concerns a "settlor" issue, such as the merger or termination of the Trust and, thus, is not an issue of Plan administration. However, this prohibition shall not apply with respect to matters of Trustee selection, replacement and removal detailed in Part II, Articles I and IV, above.

In the event of such deadlock arising, the Employer Trustees and Employee Trustees shall meet for the purpose of agreeing upon an impartial umpire to break such deadlock by deciding the dispute in question. The selection of an impartial umpire shall be by a vote of a majority of the Employer Trustees and a majority of the Employee Trustees. In the event of the inability of the Employer Trustees and the Employee Trustees to agree upon the selection of such impartial umpire, then on the petition of any of the Employee Trustees or any of the Employer Trustees,

the District Court of the United States for the Northern District of Illinois, Eastern Division, shall be empowered to make such an appointment. Such impartial umpire shall immediately proceed to hear the dispute between the Trustees and decide such dispute, and the decision and award of such umpire shall be final and binding upon the Trustees. The reasonable compensation for such umpire shall be paid from the Fund.

Section 3. Any impartial umpire selected or designated to break a deadlock shall be required to enter his decision within the time fixed by the Trustees.

The scope of any such proceeding before such impartial umpire shall be limited to the provisions of this Agreement and Declaration of Trust and the Pension Plan established by the Trustees. The impartial umpire shall have no jurisdiction to decide any issues arising under, or involving the interpretation of any pension agreements or bargaining agreements between the Union, the Association, and other Employers, and such impartial umpire shall have no power or authority to change or modify any provisions of such pension agreements or collective bargaining agreements.

ARTICLE VI

LIABILITY OF TRUSTEES

Section 1. **GENERAL.** The Trustees shall discharge their duties with respect to the Plan solely in the interest of the participants and beneficiaries and for the exclusive purposes of:

A. Providing benefits to participants and their beneficiaries:

B. Defraying reasonable expenses of administering the Plan:

1. with the care, skill, prudence, and diligence under the circumstances then prevailing that a prudent man acting in a like capacity and familiar with such matters would use in the conduct of an enterprise of a like character and with like

aims;

2. by diversifying the investments of the Plan so as to minimize the risk of large losses unless under the circumstances it is clearly prudent not to do so; and

3. in accordance with this Trust Agreement and other documents and instruments covering the Plan insofar as such documents and instruments are consistent with the provisions of Title I of ERISA.

Section 2. **LIABILITY OF TRUSTEES.** Each Trustee shall use reasonable care to prevent a co-Trustee from committing a breach of fiduciary duty and the Trustees are expressly authorized by this Trust Agreement to allocate specific responsibilities, obligations or duties among Trustees, in which event a Trustee to whom certain responsibilities, obligations or duties have not been allocated shall not be liable, either individually or as a Trustee, for any loss resulting to the Plan arising from the act or omissions on the part of another Trustee to whom such responsibilities, obligations or duties have been allocated.

No Trustee shall be liable or responsible for a breach of fiduciary responsibility of another fiduciary with respect to the Plan except as such limitation of liability is not permitted by Section 404 of ERISA and except in the following circumstances:

(a) If he participates knowingly in, or knowingly undertakes to conceal, an act or omission of such other fiduciary, knowing such act or omission is a breach;

(b) If by his failure to comply with his obligation to discharge his duties with respect to the Plan solely in the interest of the participants and beneficiaries thereof as provided herein the administration of his specific responsibilities which gave rise to his status as a fiduciary, he has enabled such other fiduciary to commit a breach; or

(c) If he has knowledge of a breach by such other fiduciary unless he makes reasonable efforts under the circumstances to remedy the breach.

If an Investment Manager or Managers have been appointed as provided herein, no Trustee shall be liable for the acts of omissions of such Investment Manager or Managers or be

under an obligation to invest or otherwise manage any asset of the Plan which is subject to the management of such Investment Manager.

The Trustees are also permitted, in accordance with Section 404(c) of ERISA and other governing law to choose to permit participant or beneficiary exercise of control over the assets of his account, including direction of the investment of these assets.

Nothing in this Trust Agreement shall preclude a Trustee or other fiduciary from purchasing insurance to cover liability for a breach of fiduciary responsibility from and for his own account, nor shall anything herein preclude the Association, an Employer or the Union Organization from purchasing insurance to cover potential liability of one or more persons who serve in a fiduciary capacity with respect to the Plan.

So long as the Trustees discharge their duties in accordance with the requirements of Section 1 of this Article:

(a) The Trustees shall be fully protected in acting upon any instrument, certificate, or paper believed by them to be genuine and to be signed or presented by the proper person or persons, and shall be under no duty to make any investigation or inquiry as to any statement contained in writing, but may accept the same as conclusive evidence of the truth and accuracy of the statement therein contained.

(b) Neither the Employers, nor the Union, shall in any way be liable in any respect for the acts, omissions or obligations of the Trustees, individually or collectively.

(c) The Trustees shall not be liable in any respect for the failure to collect delinquent contributions when such failure is occasioned by an Employee's lack of timely, reasonable notice of such delinquency or failure or refusal to cooperate with the Trustees, the Administrator or legal counsel in the efforts to collect such delinquent contributions.

The Trustees may from time to time consult with the Trust's legal counsel and shall be fully protected in acting upon such advice of counsel to the Trust as respects legal questions; acting on the advice of counsel shall be prima facie evidence that the Pension Trustee or Trustees have acted in good faith.

The Trustees may employ and seek advice from a recognized actuarial consultant in connection with the delayed basis upon which pension and retirement payments may be made consistent with the sound administration, protection and maintenance of the Pension Trust, and shall be fully protected in acting and relying upon advice.

Section 3. Nothing herein contained shall be construed to preclude purchase by the Trustees, as an expense of the Trust Fund, of insurance for the fiduciaries hereunder or for the Pension Plan to cover the liability or losses resulting from acts or omissions of a fiduciary provided such insurance permits recourse by the insurer thereunder against the fiduciary in the case of a breach of fiduciary obligation of such fiduciary.

The Trustees, or any of them may, but without expense to the Trust Fund, purchase insurance for their own account to cover liabilities for their acts or omissions hereunder.

PART III

ADMINISTRATION OF THE TRUST FUND

ARTICLE I
GENERAL PROVISIONS

Section 1. The control, management and administration of the Trust Fund and the Pension Plan shall be in the Trustees appointed to act hereunder, who are hereby designated as the "Named Fiduciaries," and shall administer the same in accordance with the terms and provisions of this Agreement and Declaration of Trust, and shall have all powers necessary to carry out the provisions of the Pension Plan, established by the Trustees.

The policy so developed shall be reduced to writing and incorporated as a part of the records of the Trustees.

At least annually, at a meeting called for such purpose upon a date specified by the Trustees, the funding policy shall be reviewed and all actions taken thereon fully recorded in the Minutes of such meeting as a part of the records of the Trustees.

In the development of a policy for the funding of the Pension Plan, the Trustees shall consult with the accountants, actuaries, and Finance Committee designated by the Trustees, and other professional help employed by the Trustees.

Section 2. The Trustees may appoint one or more Investment Managers, qualified pursuant to provisions of Section 3(38)(B) of ERISA and who shall, before assuming any duties or authority hereunder, acknowledge in writing that he is a fiduciary with respect to the Pension Plan, to manage and control all or part of the Trust Fund with power to direct the acquisition and disposition of such assets. An Investment Manager shall have the responsibility to implement the policy for the funding of the Pension Plan as developed by the Trustees and communicated to the Investment Manager in writing. An Investment Manager so appointed shall serve at the pleasure of the Trustees, but may resign, by written resignation directed to the Trustees, at any

time.

This power includes the promulgation of provisions of the Plan or Summary Plan Description governing such proceedings, including the award of attorney's fees to the plan upon collection of such amounts as restitution.
- L. The Trustees shall have the authority to enter into a contract provision authorizing the indemnification of a service provider where they determine, in their sole discretion, that such a provision is required by necessity and that entry into a contract containing such a provision would be in the interests of plan participants and beneficiaries.

Section 3. The Trustees shall keep true and accurate books of account and records of all their transactions which shall be open to the inspection of any Trustee at all times, and which shall be audited at least annually and at such other times as the Trustees shall deem advisable by a certified public accountant selected by the Trustees. Such audits shall be available at all times for inspection by the Union, Association, Employers, Employees or other interested persons at the principal office of the Trust Fund.

Section 4. It is understood that the Trustees do not contemplate and shall not review employer records personally but rather the Trustees will have available to them the auditor's report which shall remain confidential as to all business matters with the one exception that they may be used for all relevant matters involving nonpayment of proper benefits. In all other respects the audit shall remain confidential.

Further, in the event no time records of hours worked are available which indicate whether such hours are straight time or overtime, all hours paid shall be deemed to have been at

straight time for purpose of computing contributions owed.

Section 9. Compensation and Expenses. The Employer Trustees and Union Trustees shall not be paid any compensation for their services hereunder for attendance at regular or special meetings of the Trustees; but the Trustees may be reimbursed for expenses properly and actually incurred for attending regular or special meetings of the Trustees or committees or subcommittees, or while performing specific assignments. Trustees shall be compensated only in accordance with the provisions of ERISA and any rules or regulations promulgated pursuant thereto, as the same may be interpreted and construed by any court or agency of competent jurisdiction.

Section 10. No One Is Agent Without Written Authority - No individual or person may act as agent for the Trust Fund unless specifically authorized in writing by the Trustees. No Employer or Union, or any representative of any Employer or Union in such capacity, is authorized to interpret the Pension Fund, nor can any such person act as agent of the Trustee. Only the administrator, as designated by the Board of Trustees, and the Board of Trustees, are authorized to interpret the Pension Plan within the scope of their respective authorities.

ARTICLE IV

CLAIMS PROCEDURE

Section 1. Each application for benefits provided under the Pension Plan received by the Trustees, shall be immediately forwarded to the Plan Manager for determination by him as to the approval or disapproval thereof. For purposes of this Article IV, Part III, the Plan Manager is designated as a "Named Fiduciary" with respect to the Pension Plan.

Upon approval or disapproval of an application for benefits as the case may be, the Plan Manager shall immediately notify the Trustees or the Eligibility Committee, if one is appointed, of his determination therein.

Not more than ninety (90) days after the receipt of an application for benefits, and all supplemental documents and information necessary for a proper determination thereon, the applicant shall be notified, in writing, that his application has been approved, or has been disapproved in whole or in part, unless special circumstances require an extension of time for processing the application. If such an extension of time is required, written notice of the extension shall be furnished to the Applicant prior to the expiration of the initial 90-day period. Such notice shall indicate the special circumstances requiring an extension of time and the date by which the Plan Manager expects to render the final decision. In no event shall the extension exceed a period of 90 days from the end of the initial 90-day period.

Section 2. Whenever an applicant has been notified by the Plan Manager that his application for benefits has been disapproved, in whole or in part, the Notice required under preceding Section 1 of this Article IV, Part III shall set forth therein, in plain and concise language:

- A. The specific reason or reasons for the disapproval.
- B. All pertinent provisions of this Agreement and Declaration of Trust and/or the Pension Plan.
- C. A description of such materials or information deemed necessary for the applicant to perfect his claim to benefits, together with an explanation as to the necessity thereof.
- D. A detailed explanation of the procedures of appeal described in succeeding Sections of this Article IV, Part III available to the applicant for a full and fair

review of the determination of disapproval made of his application for pension benefits.

Section 3. Each applicant whose application for benefits shall have been disapproved, in whole or in part, shall have the right to an appeal for a full and fair review of the determination so made, all in accordance with the procedures hereinafter set forth.

Section 4. Request for a full and fair review of disapproval, in whole or in part, of his application for benefits shall be made by the applicant, or by his duly authorized representative, by a plain short written statement, delivered, in person, or by registered or certified mail, to the Plan Manager within sixty (60) days of the date of receipt by the applicant of Notice of Disapproval of his claim for benefits, in whole or in part.

Upon receipt of such written request, the same shall immediately be forwarded by the Plan Manager to the Trustees or to the Eligibility Committee, if one has been appointed, together with all files, papers, documents, materials, and information relevant and pertaining to the application made for benefits, and the determination thereof.

The Trustees or Eligibility Committee, if one has been appointed, on receipt of the request for review made by the applicant, shall immediately set the same for a hearing at its next regularly scheduled meeting, unless the request for review is received within 30 days preceding the date of such meeting. In such a case, a decision shall be made no later than the date of the second meeting following the receipt of the review request. Notwithstanding the foregoing, however, if special circumstances (such as a need to hold a hearing) require a further extension of time, a decision shall be rendered not later than the third meeting following the request for review. If because of such special circumstances an extension of time is required, written notice of such shall be furnished to the applicant prior to the commencement of such extension.

Upon the hearing to be had, the applicant shall have the right to counsel. Prior to the hearing date, upon reasonable notice to the Trustees or the Eligibility Committee, if one has been appointed, the applicant, by himself, or by counsel, shall have the right:

- A. To review all pertinent documents, information and other materials relevant to his claim for benefits.
- B. To submit to the Trustees or the Eligibility Committee, in writing, issues and comments for its consideration.

The Trustees or Eligibility Committee, if one has been appointed, shall have the right to counsel, the services of the auditors and other professional employees retained by the Trustees to assist in the making of the full and fair review required hereunder.

Section 5. Each decision made by the Trustees or the Eligibility Committee, if one has been appointed, shall be in writing, in plain and concise language understandable by the applicant, and shall set forth therein the reason, or reasons, for the decision made and the pertinent provisions of this Agreement and Declaration of Trust and/or the Plan of Benefits, on which such decision is based.

Section 6. Notwithstanding the foregoing, if upon preliminary examination and review by the Trustees or the Eligibility Committee, if one has been appointed, of all documents, information, and materials forwarded and received, the Trustees or the Eligibility Committee, if one has been appointed, is of the opinion that it is required to reverse the determination of disapproval previously made and to grant to the applicant pension benefits in accordance with his application therefor, its opinion relating thereto, reduced to writing shall be immediately forwarded to the applicant, and the hearing thereon shall thereupon be deemed canceled. In

addition to Notice thereof to the applicant, the Eligibility Committee, if one has been appointed, shall forward a copy of its decision to the Trustees and shall direct the Trustees to provide for the payment of benefits in accordance with the provisions of the Pension Plan aforesaid.

Section 7. The decision of the Trustees or the Eligibility Committee, if one has been appointed, shall be subject to a rehearing thereon for a period of thirty (30) days from the date of its rendition, and thereafter it shall be final and conclusive and binding upon the applicant and all other persons.

Section 8. The failure of the applicant to request, within the time herein provided, review of the determination made by the Administrative Manager disapproving his application for benefits, in whole or in part, shall be considered as consent by him to the determination so made.

In the event the applicant or his representative fails to appear on the hearing date, or has failed to request a continuance prior to the hearing date as provided herein, the Trustees or the Eligibility Committee, if one has been appointed, shall proceed to review the decision based on all documents, information, and material forwarded and received.

A request for a continuance of the hearing date must be received by the Trustees or the Eligibility Committee, if one has been appointed, prior to the hearing date and shall be granted only in cases where special circumstances exist warranting such action. In the event a new hearing date is ordered, it shall be scheduled immediately and shall permit the Trustees or the Eligibility Committee, if one has been appointed, to render a decision not later than 120 days from the date of receipt of the written request for review by the Plan Manager.

ARTICLE V
MERGER AND CONSOLIDATION

Section 1. The Trustees are authorized to cause the Pension Fund to be merged or consolidated with, or into, another multi-employer fund similarly created. Such merger or consolidation shall be effected only with the advice of counsel and based on sound actuarial data furnished to the Trustees as is required to assure that such merger or consolidation is undertaken in the best interests of the Employees, but shall, in all events, be in accordance with any limitations as may be prescribed by the Pension Benefit Guaranty Corporation created pursuant to provisions of ERISA or the Provisions of that Act, as amended. Any Trustee decision concerning merger or consolidation is a "settlor" issue which does not concern administration and which shall not be resolved by an impartial umpire appointed pursuant to this Agreement and the Labor Management Relations Act.

PART IV
AMENDMENTS AND TERMINATION

ARTICLE I
AMENDMENTS

Section 1. This Agreement and Declaration of Trust and /or the Plan Benefits adopted pursuant thereto may be amended in any respect from time to time by the Trustees, provided that each amendment shall be duly executed in writing by the Trustees and annexed hereto. As to any amendment, the Trustees, in their sole discretion, shall have full power to fix the effective date thereof.

Section 2. No amendment may be adopted which will alter the basic principles of this Agreement and Declaration of Trust, be in conflict with the Collective Bargaining Agreements with the Union as such Agreements affect contributions to the Fund created hereunder, be

contrary to the laws governing trust funds of this nature, or be contrary to any agreements entered into by the Trustees.

Section 3. Whenever an amendment is adopted in accordance with this Article, a copy thereof shall be distributed to all Trustees, and the Trustees shall so notify all necessary parties and shall execute any instrument of instruments necessary in connection therewith.

Section 4. Amendments pursuant to Section 412(c)(8) of the Internal Revenue Code and Section 302(c)(8) of ERISA to be effective for a Plan year shall be adopted no later than two (2) years after the close of the Plan year, and if such amendment reduces the accrued benefit of any employee, the same shall not be effective unless approved by the Secretary of Labor, or unless the Secretary of Labor fails to take action disapproving the amendment within ninety (90) days of receipt of notice of such amendment.

ARTICLE II

TERMINATION OF TRUST

Section 1. This Agreement and Declaration of Trust shall cease and terminate upon the happening of any one or more of the following events:

- A. In the event there are no individuals living who can qualify as Employees hereunder.
- B. The adoption, after September 26, 1980, of a plan amendment which provides that participants will receive no credit for any purpose under the plan for service with an employer after the date specified in such amendment.
